Welcome to Fantasia Fanatic XXXIV

Fantasia Fanatic is one of Sweden's largest and oldest miniature gaming tournaments, it's held on two occasions every year; one in the spring and one in the autumn. This pamphlet contains all that you will need to know to take part in the event.

If you have any questions or feedback about the event, you are welcome to contact us by e-mail at: fantasiafanatic@gmail.com or call us by phone at: +4690770360.

On occasion we may have to update this pamphlet with more information and sometimes also change existing information. In case of this we will post a notification on www.fantasiaspel.se and on Facebook (please like and follow Fantasia Umeå). Note: that after the 23rd of September we will not do any changes that would effect gameplay. We always strive to avoid any late changes, but to make sure that you have the latest version of this pamphlet make sure to visit www.fantasiaspel.se during the final two weeks leading up to the start of the event.

Best in Show

If you want to be eligible to be chosen to compete for the Best in Show award you must set up 50-75p from your faction for display 11.00 (with your nametag) on one of the Warmachine tables. The models must be of the same faction as the army you use during Saturday.
