Welcome to Fantasia Fanatic XXXVI

Fantasia Fanatic is one of Sweden's largest and oldest miniature gaming tournaments, it's held on two occasions every year; one in the spring and one in the autumn. This pamphlet contains all that you will need to know to take part in the event.

If you have any questions or feedback about the event, you are welcome to contact us by e-mail at: fantasiafanatic@gmail.com or call us by phone at: +4690770360.

On occasion we may have to update this pamphlet with more information and sometimes also change existing information. In case of this we will post a notification on www.fantasiaspel.se and on Facebook @fantasianorth. Note: that after the 29 of September we will not do any changes that would effect gameplay. We always strive to avoid any late changes, but to make sure that you have the latest version of this pamphlet make sure to visit www.fantasianorth.com during the final two weeks leading up to the start of the event.
